Bev was born in Fairborn, Ohio, and has lived in the Cleveland area since 1982. She began her career as a nursing assistant and went on to become a registered nurse. Bev has been in a nursing leadership position for the past 16 years and is a graduate of the University of Pennsylvania Wharton School's "Nursing Leaders of the Future" program. Currently, she is the Senior Vice President/Chief Nursing Officer of Akron General Medical Center and is responsible for approximately 900 FTE's. While at Akron General, Bev has been successful with an organizational wide initiative called Relationship Based Care which promotes the leadership principles of trust, respect and credibility.
