Special Interests: home improvements, basketball, gambling, leadership, my kids,
Spouse: Sonja

I have been a life long resident of the northeastern Ohio area. My career has included experiences in both public and private sectors. The common thread to my employment history has revolved around construction and operational assignments. I am a graduate of the Local Officials Leadership Academy through the Levin College of Urban Affairs at Cleveland State University. I am currently employed by URS Corporation where I am responsible for the Construction Services Business Line in Ohio, Indiana, Michigan, and Kentucky.
